Stewardship is the careful and responsible management of something entrusted to one's care. Through temple talks over the past month, we heard about some of the ministries we support as a congregation. We ask that you think about these ministries and those like it at All Saints and consider how you might help support them.

We have much to be grateful for at All Saints. There is much enthusiasm for our ministries and excitement about how we can continue to be good stewards as we lay claim to the fact that as people of faith, God is indeed central in our lives.

ALL the gifts we have, the qualities we possess, the money we make, each new day, is all a gift from God, who loves us and wants us to have an abundant life. You are invited with joy and thanksgiving, to prayerfully consider how you can support the vision that God has for this church. We ask that this pledge card be brought with you to worship on the first Sunday of Advent, **December 3rd**.
